EXAMINATION: IMPORTANT NOTICE TO APPLICANTS. READ CAREFULLY. No written or oral examination will be required. Applicants will be scored on the basis of an evaluation of their education, training, experience and personal qualifications as outlined by the candidates' sworn statements in their application, upon corroborative evidence obtained by investigation and the applicants' responses to the Supplemental Questionnaire Form. Applicants must provide all background information and supportive documents as requested on the application form and job announcement.

MINIMUM QUALIFICATION REQUIREMENTS: Attainment of a minimum of a bachelor's degree from a recognized college or university in planning, architecture, civil engineering or a related field, preferably supplemented by graduate level course work in planning and a minimum of three years' progressively more responsible experience in planning including a minimum of one year's experience in a supervisory capacity; or a combination of education and experience equivalent to these requirements.

SPECIAL REQUIREMENT: Possession of a valid driver's license from state of residence.

KIND OF WORK: This is responsible professional and administrative work in assisting in the direction of the long range and land use planning program and management of the development of subdivisions.

ESSENTIAL REQUIREMENTS OF THE WORK: Thorough knowledge of the principles, practices and techniques of planning, zoning and development; thorough knowledge of the principles, laws, practices and organization of federal, state and local government in the fields of planning and development; thorough knowledge of the general principles and practices of architecture, real estate and engineering as applied to planning and development; good knowledge of commonly utilized computer software programs and geographic information systems; ability to analyze the significant aspects and precedents inherent in planning and development problems, and to present reports and recommendations; ability to make recommendations recognizing established precedents and practices, and to use resourcefulness and tact in meeting new problems for which no precedent has been established and which may involve contentious circumstances and valuable property rights; ability to establish and maintain effective working relationships with officials, developers, engineers, other employees and the general public.

RESIDENCE REQUIREMENTS: There are NO residence requirements in order to apply. Applicants must bear all expenses incurred in reporting for testing or appointment. Upon appointment, the law gives the right to each Appointing Authority (Employer) to fix any further legal requirements regarding residence.

NOTE: THIS EXAMINATION ANNOUNCEMENT AUTOMATICALLY CANCELS EXAMINATION NO. 11853 ISSUED 07-02-07.

FINAL DATE FOR FILING APPLICATION: Applications should be returned as soon as possible. In the event of tied scores, Rule 8.1 dictates that ties will be broken by the order in which applications are filed. There is NO predetermined final closing date. Applications will be received until further notice.
