EXAMINATION: IMPORTANT NOTICE TO APPLICANTS. READ CAREFULLY. No written or oral examination will be required. Applicants will be scored on the basis of an evaluation of their education, training, experience and personal qualifications as outlined by the candidates' sworn statements in their application, upon corroborative evidence obtained by investigation and the applicants' response to the SUPPLEMENTAL QUESTIONNAIRE FORM. Applicants must provide all background information and supportive documents as requested on the application form and job announcement.

MINIMUM QUALIFICATION REQUIREMENTS: Graduation from a standard senior high school, completion of a trade school or apprenticeship program in electrical work and a minimum of one year's journeyman level electrical experience; or a combination of education and experience equivalent to these requirements.

SPECIAL REQUIREMENT: Must possess a journeyman electrician's certificate from the Board of Electrical Examiners; Mobile Area Water and Sewer System requires a master electrician's certificate. Must possess a valid driver's license from state of residence. May be required to possess a Commercial Driver's License with appropriate endorsements, including air brake endorsement, if applicable.

KIND OF WORK: This is skilled electrical work performing a wide variety of tasks at or above the journeyman level.

ESSENTIAL REQUIREMENTS OF THE WORK: Good knowledge of the standard practices, materials, tools and equipment of the electrical trade; good knowledge of electrical construction and maintenance practices including installation of all sizes of electrical conduit, cable wires, switches, automatic starting equipment and pole line construction; good knowledge of the National Electrical Code and state and local electrical codes applicable to installation, maintenance and repair; good knowledge of the hazards and precautionary methods peculiar to the trade; ability to use electrician's tools and equipment; ability to locate and adjust defects in electrical systems and equipment; ability to work from blueprints, drawings and specifications; ability to understand and effectively carry out oral and written instructions; ability to supervise and train apprentice electricians; ability to work under hazardous conditions.

RESIDENCE REQUIREMENTS: There are NO residence requirements in order to apply. Applicants must bear all expenses incurred in reporting for testing or appointment. Upon appointment, the law gives the right to each Appointing Authority (Employer) to fix any further legal requirements regarding residence.

NOTE: THIS EXAMINATION ANNOUNCEMENT AUTOMATICALLY CANCELS EXAMINATION NO. 12058 ISSUED: 12-17-07.

FINAL DATE FOR FILING APPLICATION: Applications should be returned as soon as possible. In the event of tied scores, Rule 8.1 dictates that ties will be broken by the order in which applications are filed. There is NO predetermined final closing date. Applications will be received until further notice.
